

About ImagineCreativo 360 S.L.

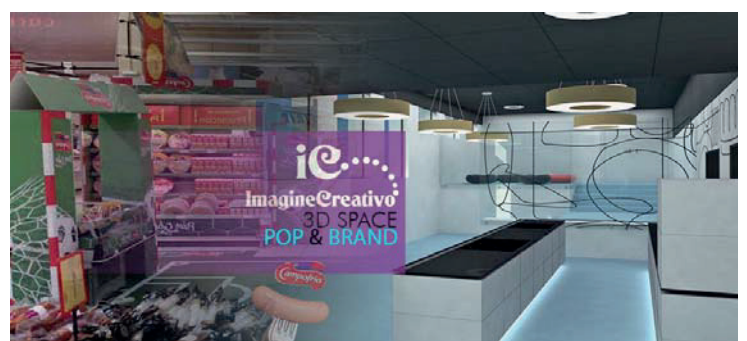

Sergio Sediles, founder and CEO of **ImagineCreativo 360 S.L.**, established this advertising and communication agency with the aim of providing comprehensive solutions in **digital and print visual communication** for companies, brands, and agencies.

With over **25 years of experience**, ImagineCreativo combines graphic design, illustration, photography, video, 3D, augmented reality, gamification, SEO/SEM, traditional and digital marketing, marketing mix, RTB, and exhibition design to deliver 360° design projects with high creative, functional, and operational value.

Based in Zaragoza, we work with clients from various sectors across Spain, offering **strategic visual support** with a strong focus on **sales-driven branding, ROI strategies, and omnichannel approaches**.

What we do

- ✓ Advertising, editorial graphic design and visual communication.
- ✓ Content production (photography, video, 3D, infographics, drone footage, generative AI).
- ✓ Events, trade shows, retail spaces and exhibition design (POP, POS displays).
- ✓ Branding development, sales materials and multichannel campaign.
- ✓ Creative partner support for marketing and commercial departments or agencies.
- ✓ Training, presentations and sales force enablement.
